

M/Y completes shipyard period at GCCM. Impressive facility enables 4 months work to be completed in 2 months.

‘MY PANGAEA’

58m Expedition Yacht

THE RESULTS

GCCM were the most hospitable shipyard PANGAEA has visited (ever). The staff and local contractors bent over backwards to assist in any way needed. There was always a solution and everyone jumped at making it happen. The extra's like complimentary crew car, buggy, and tender storage were great and very much appreciated. The use of the marina ablutions, that were impeccable, was also very helpful.

The front office staff were always available for recommendations and JB on the ground was a pleasure to work with. Special mention should go to Sweep Marine, Seaspec Marine Services & Precision Diesel Works. Outstanding service from them. The experience was made more enjoyable by the fact that everyone was so professional and always maintained a smile and upbeat attitude even when things weren't going their way. This is uplifting for all and really made the long hours much easier to bear.

CAPTAIN'S REVIEW

THE RESULTS

Yacht Name:

MY PANGAEA

Builder: Halter Marine

Yacht LOA (m): 58m

Launch Year: 1998

Hull Construction: Steel

Survey Standard: ABS

Major mechanical, fabrication, electrical and paintwork to be completed on all areas of the vessel.

Project Timeframe:

2 months

Works completed:

All planned works and more have been completed.

Man hours: Many

CAPTAIN'S REVIEW

'MY PANGAEA'

58m Expedition Yacht

“GCCM has been the most refreshing shipyard experience I have had in many years of yachting. It makes me think, why haven't we always done things in this manner before? What a great example this facility is to the industry on how things should be done. I can highly recommend them to industry peers and look forward to returning in the near future. Everyone really made us feel at home and welcomed. All our wishes were met with a smile and helpful attitude. What more can anyone ask for? Great job Kevin and team GCCM! ”

CREW EXPERIENCE ON THE GOLD COAST

The crew absolutely loved the Gold Coast area, from rooftop bars in Surfers Paradise down to excellent waves and beaches down towards Byron Bay. They did it all including wine tasting up in Mt Tamborine! The location of the yard means that everything is accessible and there is a plethora of options available. The possibility of being bored at any time is literally impossible.
